All day long I wait for the sun to disappear  
So I can free myself in the cool night air  
Take down my hair and feel the wind on my shoulders

Moonchild, wrap me up beneath the stars  
Moonchild, come to me when the night grows dark  
Tell me who you are, moonchild

I swear that I can feel your arms around me now  
I know you're somewhere, ooh so I'm reaching out  
All day a misty shadow follows me  
I can hear you calling, darling,  
Can't you see  
I'm your

CHORUS

Moonchild, moonchild  
Moonchild, moonchild

I'm your

CHORUS

Love it when your light shines down on me  
Want someone to dance the dream  
Come on and wrap me up beneath the stars  
Why don't you come to me when the night grows dark  
Moonchild  
Love it when your light shines down on me  
Want someone to dance the dream  
Stars  
Come to me  
When night grows dark
