

Chorus

move your body girl makes the fellaz go
the way you ride it girl makes the fellaz go
move your body girl makes the fellaz go
the way you ride it girl makes the fellaz go

all up in the club looking fly
Made your 1st approach then caught his eye
slowly move our way towards the dance floor
Grabbed her hand then she whispered
Whole night has gotten through
stand behind me let me crack a groove
I lick my lips while im feeling you
Now im going to make you go

Chorus

move your body girl makes the fellaz go
the way you ride it girl makes the fellaz go
move your body girl makes the fellaz go
the way you ride it girl makes the fellaz go

Wow (your feelin it now) take it SLOW (you turning me on)
Club gets warmer (warmer) bodies move closer (closer)
Gone wit the rhythm don't stop movin your making me HOT
>From head to toe I feel your flow
Thighs get stronger (stronger) party seems longer (Longer)
Make me really want ya
Don't stop movin your making me HOT

Chorus

move your body girl makes the fellaz go
the way you ride it girl makes the fellaz go
move your body girl makes the fellaz go
the way you ride it girl makes the fellaz go

move your body girl makes the fellez go
the way you ride it girl makes the fellez go
move your body girl makes the fellez go
the way you ride it girl makes the fellez go

Can you feel the beat (can ya can ya feel the beat)
Can you feel the beat (can ya can ya feel the beat)
Can you feel the beat within my heart can't you see my love shine thru the darkkkk
Can ya feel the beat
Can you feel the beat within my heart can't you see my love shine thru the dark
Cant you see that you must be apart of that beat in my heart

Chorus

move your body girl makes the fellez go
the way you ride it girl makes the fellez go
move your body girl make the fellez go
the way you ride it girl makes the fellez go

move your body girl makes the fellez go
the way you ride it girl makes the fellez go
move your body girl make the fellez go
the way you ride it girl makes the fellez go
