Title: Mr. Big

download from: <http://www.lyricsdisc.com>

I work hard every day,
Come rain or shine
I don't need nobody
To tell me 'bout a girl of mine
She's got so much love,
She saves it all for me
I would not be lyin',
That's the way it's gotta be

So Mr. Big, uh
Better watch out
And don't you hang around me, now
'Cause of you I will dig
A great big hole in the ground - alright

Listen, I don't care who you are
And don't explain
Better get on out of here
And don't you come back again, no, no
I don't want a thing from you
Don't wanna give you nothin', too
Get out of here, before I lose my cool

Mr. Big, uh
Better watch out
And don't you hang around me, now
'Cause of you I will dig
A great big hole in the ground, oh Lord

Did you know I really miss ya

Now, listen, whoa
Mr. Big, uh huh
Better watch out
And don't you hang around me, now
'Cause of you I will dig
A great big hole
In the ground
