Title: Mr. Rainmaker

download from: <http://www.lyricsdisc.com>

It could have rained for
Forty weeks dear
And I'd never know the difference
When your life is one
Long down pour
You're not sure you'll go the distance
You came along
With a patch of blue sky
Inside your arms
I found a place that's warm and dry

Chorus

Mister Rainmaker
Don't waste your time
I found a girl
Who is permanent sunshine
She is the little queen
Of all of my dreams carry on
And find someone else to rain on

Find someone else to rain on

Chorus

Love never rained down on me dear
Only heartache and problems
Now through your arms I can see clear
It's only been raining water
You came along
With a patch of blue sky
Inside your arms
I found a place that's warm and dry
