Title: Much like falling

---

When I said good morning,  
I was lying,  
I was truly thinking of,  
How I might quit waking up,

He pointed out how selfish,  
It would be kill myself,  
So I keep waking up,

It feels so much like falling,  
Dying while I wait to die,  
The fear of something or nothing,  
Lonely empty lie,

I don't want to be a liar,  
I don't want to be selfish anymore,  
I want so much to change,  
Learning your love everyday,  
There's still so much to know,

You grip my wrists,  
I let go,

It feels so much like falling,  
Separated from the fear,  
Aware of a destination far away from here,  
Far away from here,

It feels so much like falling,  
Separated from the fear,  
Aware of a destination far away from here,  
Far away from here.
