Title: My love is

download from: <http://www.lyricsdisc.com>

Called you again in the evenin'
nothin' had changed in your voice
I'm so sick and tired of feelin' so second
choice

what if I changed all my habits
wouldn't it be worth a smile
now this is a warning
you're sinking our little isle

this is my love
it's not your love
so hard to get
you're leavin' me stranded
this is my love
it's not your love
so don't you ever take it for granted
this is my love

maybe you'll find someone better
i won't standin' in your way
but soon you'll be left in the cold
baby, come what may

i hope my words make it through to you
so you can learn to tell time
it's quarter to zero
so i'll be better (off) when
you're out of my life
