

Oh baby Nancy
Yeah little Nancy

Baby
I cannot bide my time
I mean you ain't even trying
Oh now I'm down here in the heat babe
Ohhh, I'm cooking
Yeah yeah yeah
Oh yeah yeah yeah
Come'on

You know you're making me wait
I said you take my plate
Well you and me yes are one
yeah we're from different fates
And you so sweet
just like roses won't scatter
The way I make love
And I'm a make you feel better
yeah I cannot bide my time
I mean you ain't even trying
Oh now I'm down here in the desert
OH and I'm crying
Yes I'm crying
Oh I'm crying
Baby I'm crying
