

You'll never see the courage I know  
Its colors' richness won't appear within your view  
I'll never glow the way that you glow  
Your presence dominates the judgements made on you

But as the scenery grows I see in different lights  
The shades and shadows undulate in my perception  
My feelings swell and stretch I see from greater heights  
I understand what I am still too proud to mention, to you

You'll say you understand  
But you don't understand  
You'll say you'll never give up seeing eye to eye  
But never is a promise and you can't afford to lie

You'll never touch these things that I hold  
The skin of my emotions lies beneath my own  
You'll never feel the heat of this soul  
My fever burns me deeper than I've ever shown to you

You'll say "don't fear your dreams"  
It's easier than it seems  
You'll say you'd never let me fall from hopes so high  
But never is a promise and you can't afford to lie

You'll never live this life that I live  
I'll never live the life that wakes me in the night  
You'll never hear the message I give  
You'll say it looks as though I might give up this fight

But as the scenery grows I see in different lights  
The shades and shadows undulate in my perception  
My feelings swell and stretch I see from greater heights  
I realize what I am now too smart to mention, to you

You'll say you understand  
You'll never understand  
I'll say I'll never wake up knowing how or why  
I don't know what to believe in  
You don't know who I am  
You'll say I need appeasing when I start to cry  
But never is a promise and I'll never need a lie
