Title: Never Took the Time

download from: <http://www.lyricsdisc.com>

A moment ago it seemed
It was yesterday
you were here with me
And everything seems to be the same
What am I supposed to do with all these empty rooms
Sit here in solitude with the smell of your perfume

Chorus:

You never took the time to know me
You never took the time to understand
You never took the time to know me, yeah
Cuz loving you is all I ever had
Said loving you is all I ever had

This wasn't what I wanted to be
A man in misery
Girl I look back 1000 times and can't believe that you left me (Why you leave me baby)
Why can't you understand my pain
How can I explain
Girl I dont know what im doing wrong
I Can't believe your love is gone

[Chorus]

Cuz You never took the time to know me (Said you never took the time to know me)
You never took the time to understand (Ohhhh yeaahh)
You never took the time to know me, yeah (Said you never took the time to know me)
Cuz loving you is all I ever had
Baby, loving you is all I ever had

Ohhh Yeah

your All i need
Your all I see
and I Wish that we could do it again

[Chorus]

Cuz You never took the time to know me (Baby you never took the time to know me)
You never took the time to understand (Ohhhh Ohhhh)
Said You never took the time to know me, yeah
Because of you now I'm just a lonely man
Because of you now I'm just a lonely man
