

Chorus:

I'm lookin' for my #1 fan  
I know she's somewhere in the stands  
Let me see you wavin your hands  
I can't see you  
Wave a little more if you can, Where's my #1  
I'm lookin' for my #1 fan  
I know she's somewhere in the stands  
And we'll be doin' more than shakin' hands  
I can't see you  
Wave a little more if you can, where's my #1

1st Verse:

I've seen every picture you sent,  
I've read every letter you wrote  
And everytime they play my song,  
You singin it (note by note)  
I wonder what you'd do to me  
If you were to see me in the streets  
But darlin' I would like to see  
Be at my show waitin' for me

Chorus

All my east coast ladies(i cant see you)  
Gettin maney ladies wah independent ladies

I hear you everytime you scream  
I put it on you in your dreams  
I'm hangin' on your bedroom wall
