

No greater love, no higher call.
The angels can sing, but they don't know it all.
Heaven may have, streets made of gold,
But they don't have you like I have you to hold.
And like a prayer, you're everywhere!
That's how I know there's
No greater love!
When it's just you and me
That's how it's meant to be, and I know
There's no greater love!
We'll always be together,
On both sides of forever, I know
There's no greater love!

Ohhh Oh Oh

The touch of your fingers, on my skin,
I want to lay down beside you again.
The taste of your lips, pressed against mine,
Lost in this moment, way beyond time.
And like a prayer, you're everywhere!
That's how I know there's
No greater love!
When it's just you and me,
That's how it's meant to be, and I know
There's no greater love!
We'll always be together,
On both sides of forever I know
There's no greater love!

I would lay down my life for you,
And you would do the same for me,
I know it's true.
With every breath I breathe,
Baby, I believe,
There's no greater love!
When it's just you and me,
That's how it's meant to be and I know
There's no greater love!
We'll always be together,
On both sides of forever, I know
There's no greater love!

No greater love.
