No room for you  
No room for you  
In my eyes  
No room for you  
In my eyes  
No room for you in my world  
No, no room for nigger  
No room for nigger  
No room for you in my world  
No room for nigger  
No room for you  
No, no room for you  
No room for you in my world  
No room for nigger  
No, no room  
No room for you in my world  
No room for nigger  
Nigger, nigger, nigger, nigger  
No, no, no room for you in my world  
No room for you in my world  
No room for nigger  
No, no room for nigger  
No room for nigger  
No room for nigger
