

Hold on
Hold on
We're on
Our way

I'm not falling apart

Hold on
Hold on
We're on
Our way

I'm not falling apart

I dont mind
Falling in the water
No one ever notices me
I lay under the waves
I dont mind
Falling in the water
No one ever notices me
I lay under the waves

I'm not falling apart
Not falling apart
Not falling apart
Not falling apart
Not falling apart
