

(Tom Shapiro/Terri Clark/Chris Waters)

For two weeks I ain't heard the phone ring  
Just a warning bell  
My friends tell me they know things  
I should know as well  
I can't deny it  
I've been told  
A voice inside  
Says let you go

But that's not what I wanted to hear  
Not what I wanted my heart to say to me  
That you'd be long gone  
Before too long  
And that's not what I wanted to see  
'Cause nobody wants to believe they could be so wrong  
But one thing is clear  
It's what I needed to know  
But, oh-it's not what I wanted to hear

Sometimes my intuition  
Can get carried away  
But right now I'd better listen  
To what it has to say  
'Cause when I tried to  
Believe you're mine  
I just got silence  
Every time

And that's not what I wanted to hear  
Not what I wanted my heart to say to me  
That you'd be long gone  
Before too long  
And that's not what I wanted to see  
'Cause nobody wants to believe they could be so wrong  
But one thing is clear  
It's what I needed to know  
But, oh-it's not what I wanted to hear

But that's not what I wanted to hear  
Not what I wanted my heart to say to me  
That you'd be long gone  
Before too long  
And that's not what I wanted to see  
'Cause nobody wants to believe they could be so wrong  
But one thing is clear  
It's what I needed to know  
But, oh-it's not what I wanted to hear

Oh-it's not what I wanted to hear
