Title: Now that i found you

download from: <http://www.lyricsdisc.com>

How can I
believe that my
heart could find someone like you
you see
the real me
No in betweens
I had nowhere to hide
you took away the walls around me
Made me feel safe to share my truth

I see the heavens open
a heart that once was broken
Is holding nothing back
Now that I found you
You hold me like a prayer
you touch me everywhere
a lifetime just ain't enough to love true
Now that I found you

Belive
We're meant to de
Our chemistry will last forever
and through the years
We'll see some tears
We'll conquer fears
Together we will grow

Looking in your eyes they tell me
I no longer have to be alone

I see the heavens open
A heart once was broken
Is holding nothing back
Now that I found you
You hold me like a prayer
you touch me everywhere
A lifetime just ain't enough to love you true
Now that I found you

You, you see me
The real me
You belive in me

I see heavens open
A heart that once was broken
Is holding nothing back
Now that I found you
You hold me like a prayer
You touch me everywhere
A lifetime just ain't enough to love you true
Now that I found you
