

Dang a dong ding blue moon
It's waking up the beast in you
Eat my heart out
O Seraphine
Deliverance from the beast in me
Don't let it get you down
When sympathy can't be found
Senseless in unliving nightmare now
(Chorus)
Believe the beast in me
Her innocence deceives
The evil that she brings
Believe the beast in me
Nothing that you've seen
The evil that she brings
O Seraphine
Tear the weak & suffering
Spread your lycanthrope disease
In the sewer carnage beneath our feet
Save yourself from the beast in me
Don't let it get you down
When sympathy can't be found
Senseless in unliving nightmare now
(Chorus)
Believe the beast in me
Her innocence deceives
The evil that she brings
O Seraphine
O Seraphine
You wear your heart out on your sle
