Title: One Fine Day

---

If I had a perfect day,  
I would have it start this way,  
Open up the fridge and have a tall boy,  
Yeah.

Then I'd meet up with my friends,  
Head out to the game again,  
We don't even really care who wins.

Now excitement seems to grow,  
When we're hangin' with the bro's,  
When we're chillin' and we pound a case of Stroh's.  
Now the game is cool to see,  
You can "High 5" on TV,  
Count the riot on the one, two, three.  
Operation is in sight,  
And the field is open wide,  
When you break it then you know you're still alive.  
If the cops don't make you pay,  
And you make your getaway,  
Then you know,  
That's one fine day.

On that day before we're through,  
We could torch a car or two,  
Then have ourselves another tall boy,  
Yeah.

Water hoses and batons,  
That's the real game that's on,  
I don't really give a shit who wins.

Now excitement seems to grow,  
When we're hangin' with the bro's,  
When we're chillin' and we pound a case of Stroh's.  
Now the game is cool to see,  
You can "High 5" on TV,  
Count the riot on the one two three  
Operation is in sight,  
And the field is open wide,  
When you break it then you know you're still alive.  
If the cops don't make you pay,  
And you make your getaway,  
Then you know,  
That's one fine day.

I believe it's my god-given right,  
To destroy everything in my sight,  
Cause it never gets dull, it never gets old,  
The only thing it gets is more bold.  
Drinkin', Fightin', goin to the game,  
In our world it's a way to stay sane,  
If your asking me,  
To have it my way, I'd say that's,  
One fine day.

Now excitement seems to grow,  
When we're hangin' with the bro's,  
When we're chillin' and we pound a case of Stroh's.  
Now the game is cool to see,  
You can "High 5" on TV,  
Count the riot on the one, two, three.  
Operation is in sight,  
And the field is open wide,  
When you break it then you know you're still alive.  
If the cops don't make you pay,  
And you make your getaway,  
Then you know,  
That's one fine day.  
Yeah,  
Then you know,  
That it's a one fine day.

Now!  
Hey,  
Hey,  
Hey Hey!
