

(Eric Woolfson - Lead Vocal)

Gimme one good reason why I should listen to you
I need one good reason why I should do
What you want me to
Gimme some air or I can't breathe
I can't see so I can't believe
Show me just a little more
Oh oh gimme one

Gimme one good reason why I should listen to you
I need one good reason why I should do
What you want me to
Under your thumb ain't no place to hide
I can't choose and I can't decide
Gotta be a better way
Oh oh gimme one

I keep making the same mistake
No win no lose no give and no take
I'm just playing a simple game
And I don't wanna ask you again and again

For one good reason why I should listen to you
Just one good reason why I should do
What you want me to
Under your spell ain't no place to be
Don't mess around with a fool like me
Help me just a little more
Oh oh gimme one, gimme one

Well I keep making the same mistake
No win no lose no give and no take
And I'm just playing a simple game
And I don't wanna ask you again and again

For one good reason why I should listen to you
Just one good reason why I should do
What you want me to
Pull on the string you hold in your hand
Making me jump like a one man band
Gotta be a better way
Oh oh gimme one
