

Let me tell you.....

Jenny's getting dressed up in my room  
Puts on her skirt and she's looking good  
Six AM and she's leaving soon  
Says, 'What a crazy night,  
I had a real good time'

But her kiss tells me it's goodbye  
Just like nothing happened last night  
But if I had one chance  
I'd do it all over again

One night stand I don't think she's coming back for more  
She was only looking for a one night stand  
I don't think she's coming back for more  
No no

Now I'm left up in my lonely room  
She left her underwear and her perfume  
I never thought that it could be this good  
And I still feel her lips upon my fingertips  
I'm trying hard not to feel rejected  
Maybe the phone line's disconnected  
But if I had one chance  
I'd do it all over again  
I know it

One night stand I don't think she's coming back for more  
She was only looking for a one night stand I don't think she's coming back for more  
She was only looking  
One night stand but I'd do it all again for sure  
Oh yeah

Baby like a blind man I rushed in  
Now do I have the right to ask you,  
Will you be coming back again?  
One night stand I don't think she's coming back  
One night stand I don't think she's coming back  
One night stand I don't think she's coming back

Oh, One night stand I don't think she's coming back for more (oh yeah)  
She was only looking  
One night stand I don't think she's coming back for more  
She was only looking for a one night stand I don't think she's coming back for more  
She was only looking for a one night stand I don't think she's coming back for more  
She was only looking  
One night stand but I'd do it all again for sure

I guess it was a one night stand  
One night stand  
I guess it was a one night stand (oh yeah)  
One night stand  
I guess it was a one night stand (oh)  
One night stand  
I guess it was a one night stand (oh)  
One night stand  
I know it, yeah
