Title: One To Make Her Happy

download from: <http://www.lyricsdisc.com>

Well for nine years or ten
She was engaged to Dan
She never thought of another man

But then she felt something new
She didn't know what to do
She wasn't sure if this love was true

She was never happy
She was never sad
She never felt that lucky
With the boy she had
One day she just realized a new plan
To share her life with three men

And she found
One to make her happy
One to make her sad
One to give her good love
That she never had
Daisy and her boyfriends
Livin' in a house
Sharing just a good life

That was four years ago
Now Daisy blew the whole show
And all the boys had to face the end

But when she opens the door
You see some kids on the floor
I don't believe they're from heaven sent

She was never happy
She was never sad
She never felt that lucky
With the boy she had
One day she just realized a new plan
To share her life with three men

And she found
One to make her happy
One to make her sad
One to give her good love
That she never had
Daisy and her boyfriends
Livin' in a house
Sharing just a good life

Now she's got
1 for the money
2 for the show
3 to get ready
Now go Daisy go!
