

Broken this fragile thing now
And I can't, I can't pick up the pieces
And I've thrown my words all around
But I can't, I can't give you a reason
I feel so broken up (so broken up)
And I give up (I give up)
I just want to tell you so you know

(Chorus)
Here I go, scream my lungs out and try to get to you
You are my only one
I let go, but there's just no one that gets me like you do
You are my only, my only one

Made my mistakes, let you down
And I can't, I can't hold on for too long
Ran my whole life in the ground
And I can't, I can't get up when you're gone

And something's breaking up (breaking up)
I feel like giving up (like giving up)
I won't walk out until you know

(Chorus)
Here I go, scream my lungs out and try to get to you
You are my only one
I let go, but there's just no one that gets me like you do
You are my only my only one

(Music Intro)

Here I go, scream my lungs out and try to get to you
You are my only one
I let go, there's just no one...no one like you
You are my only my only one
My only one(x3)
You are my only my only one
