---

Oo wee, oh gee, oh well  
To be in love is swell

Your love alone is worth the price  
To make me feel like it's paradise  
You make my life so tender and sweet now  
I'm yours alone, like a slave at your feet

Oo wee, oh gee, oh my  
I'll love you 'til the day I die

Your love and mine will show the whole world  
Just how much one boy can love one girl

Oo wee, oh gee, oh well  
To be in love is swell  
Oo wee, oh gee, oh my  
I'll love you 'til the day I die
