

All this feels strange and untrue
And I won't waste a minute without you
My bones ache, my skin feels cold
And I'm getting so tired and so old

The anger swells in my guts
And I won't feel these slices and cuts
I want so much to open your eyes
Cos I need you to look into mine

Tell me that you'll open your eyes [x4]

Get up, get out, get away from these liars
Cos they don't get your soul or your fire
Take my hand, knot your fingers through mine
And we'll walk from this dark room for the last time

Every minute from this minute now
We can do what we like anywhere
I want so much to open your eyes
Cos I need you to look into mine

Tell me that you'll open your eyes [x8]

All this feels strange and untrue
And I won't waste a minute without you
