Title: Over easy

download from: <http://www.lyricsdisc.com>

You said that it's over, over easy
If I let go the pain will subside
Cause sayin' good-bye's never pretty
And it's uglier livin' a lie
But answer this one thing for me
Why?

[Chorus]
What did you mean when you said that its over?
I don't understand
How could this be?
You promised me
You said forever
Or did you forget?
Was I deceived?
You needed me

Now it's over, overflowing
With dreams that will never come true
You said it's a good thing that we found out
Maybe better for me than for you
You wish that something in you would do

[Chorus]

Now it's over
Over my head
And I feel like a drowning man
Who's still begging God for rain
What did you mean?

Woah woah yeah

[Chorus]

Now it's over
Over easy
If I let go the pain will subside
