

Peace and love  
Peace and love  
That's all I'm thinking of baby  
Peace and love

Riding around in a Volkswagen van  
Thinking 'bout the people upside-down in Japan  
Staring at the stars in a distant galaxy  
Wondering if there's someone out there staring back at me singing

Peace and love  
Peace and love  
That's all I'm thinking of baby  
Peace and love

Lying on the floor just playing my guitar  
Trying to find the chords for "Just The Way You Are"  
Plane crash flashing on my TV  
Well it could have been you, baby  
It could have been me

We'll never live forever  
But baby things could be worse  
Cause when we get together we are one with the Universe

Sometimes I think I might just move up to Vermont  
Open a bookstore or a vegan restaurant  
Got crazy karma, never harmed a single soul  
So if you want to join me then together we'll grow old singing

Peace and love  
Peace and love  
That's all I'm thinking of baby  
Peace and love
