Played follow the leader
Keeping the steps in time
Counting on the wonder ahead
I leave the pain behind

It's on me
It's all mine
Go away
They're my mistakes
They're not your problem

Pinned down in this heaven
I'll die a thousand times
Aware of the damage ahead
I'll leave the pain behind

Another day, a perfect day
A twinge of pain
The sting of a needle
staring at the walls
provide a brilliant sight
through eyes of the needle

So warm at the bottom
Warm never felt so kind
And for a moment or two
I leave it all behind

it's on me
it's all mine
go away
thier my mistakes
their not your problems

Black dog, white picket fences
Mow them down
And dance in the riptide
Face down in consequences
Crack me up
And stay on your own side

Another day, a perfect day
A twinge of pain
The sting of a needle
staring at the walls
provide a brilliant sight
through eyes of the needle

I wish I may
I wish I might
I pray my soul
To keep tonight
'Cause all the walls
Are staring back
A perfect day
A sting for the last time.
