

1.

When I was a little girl
In my cosy little wonderland
Didn't know why it always seemed
That the princess should wait
And I tried to imagine how
I could be sure
That (the) arrow that may strike your heart
Isn't poison but cure

pre chorus

Is it good
Is it bad
Is it true
Is it bluff
Or Is it fun
Is it sad
It is really hard to say

chorus

'cause
If you will get a chance
To know what really love is
Don't try to understand it
And then you will feel it
'cause
If you are looking for
A perfect harmony
Use your heart when you're in love
Keep your mind out of it

2.

When I was a little girl
And I watched it all unfold
I couldn't know that the world
Ain't no monochrome
And it's taken all this time
To find what lies behind
That the true love that will come to you is
cruel and kind

pre chorus

it is good
it is bad
it is true
it is bluff
it is fun
it is sad
and it's not so hard to say

chorus
