

Hey! Do It!

Once I was a boogie singer  
Playing in a rock 'n' roll band  
I never had no problems, yeah  
Running down them one night stands

Now everything around me  
Got to start to feeling so low  
And I decided quickly, yes I did  
To disco down and check out the show

And they were dancing and singing  
And movin' to the groovin'  
And just when it hit me  
Somebody turned around and shouted

"Play that funky music, white boy  
Play that funky music right!  
Play that funky music, white boy  
Lay down and boogie and play that funky music 'til you die!"

So play that funky music baby, play it, play it right  
You know we got it going  
We'll funk it up all night  
So shake me crazy, momma, you know you really gotta  
So play that funky music  
Eveyrbody's gonna be alright (Huhh)

At first it wasn't easy  
Changing rock 'n' roll in mind  
Now things were getting shaky  
I thought I'd have to leave it behind

But now it's so much better, it's so much better  
I'm funkng out in every way  
But I'll never lose that feeling, no I won't  
Of how I learned my lesson that day

And they were dancing and singing  
And movin' to the groovin'  
And just when it hit me  
Somebody turned around and shouted

"Play that funky music, white boy  
Play that funky music right!  
Play that funky music, white boy  
Lay down and boogie and play that funky music 'til you die!"

So play that funky music baby, play it, play it right  
You know we got it going  
We'll funk it up all night  
So shake me crazy, momma, you know you really gotta  
So play that funky music  
Everybody's gonna be alright

Play that funky music (play that funky music)  
Play that funky music (play that funky music)  
Play that funky music  
Yeah, you gotta keep playin' funky music!

Lay down and boogie and play that funky music 'til you die
