Title: Point of disgust

---

Once, I was lost  
to the point of disgust  
I had in my sight  
lack of vision  
lack of light  
I fell hard  
I fell fast  
mercy me  
it'll never last

Then, in the dust  
all the things  
we discussed  
were thrown to the wind  
so at last  
we begin  
'cuz we fall hard  
we fall fast  
mercy me  
it'll never last
