Title: Potential breakup song

download from: <http://www.lyricsdisc.com>

It took too long
It took too long
It took too long for you to call back
And normally I would just forget that
Except for the fact it was my birthday
My stupid birthday

I played along
I played along
I played along it rolled right off my back
Obviously my armor was cracked
What kind of boyfriend would forget that?
Who would forget that?

The type of guy who doesn't
