

Music-Ben  
Lyrics-Ron

Got your gimmick  
It's time to go  
Walk the aisle  
Another show  
Crawl through  
The ring ropes  
Promoter's dream  
The house is full  
Hope to get  
A good pat off  
Ring announcer  
Ring the bell  
Born with a bent  
For brutality  
Prince of Darkness says  
Pleasure is pain  
Clothesline  
Forearm smash  
Squared Circle  
Deathmatch  
A piledriver  
On the floor  
Non-stop  
Action  
No holds  
Barred  
Scream  
In anguish  
Hit with  
A chair  
As it opens  
Up your  
Forehead  
Raging barks of  
Bruiser Brody  
In cold blood  
He was  
Taken away  
The invader  
Must pay

Come at me  
Make a stand  
Put you in a  
POWERSLAM

The Lunatic is Luna  
Or is she an angel  
A thumb in the eye  
Never say die  
Blood brings a crazy  
Light to the sky  
Come at me  
Make a stand  
Put you in a  
POWERSLAM
