but our sins pollute the water
and now the river is flooded so we must build

I was in a room of darkness it wasn't

Chorus

Pray, pray pray pray, pray pray pray,
for a happier day, oh come on and
pray, pray pray pray, pray pray pray,
and the lord will show you the way

if we forgive we'll be forgiven then our
purified hearts will feel the
presence of God's eternal love burn inside
I ain't no religious expert but I don't have to
be to know that God ain't illusion
I'm testifying what I witness 'cause a faith
without acts is a dead faith that's why
I wrote this song so we can

Chorus

Oh we've got to pray, pray pray pray,
pray pray pray for a happier day

pray pray pray for a happier day
got to pray for a better day
pray pray pray for a happier day
got to pray for a better day
pray pray pray for a happier day
got to pray for a better day
pray pray pray for a happier day
got to pray for a better day
pray pray pray for a happier day
got to pray for a better day
