---

huh huh huh huh  
We're too old for teen violence  
but we're not too old for pre-teen violence  
We're too old for teen violence  
but we're not too old for pre-teen violence

Freak!  
Hard to the core  
Flat on the floor  
Give me some more

We (march!) down the hall  
and report to the principle  
March! Down the hall  
and report to the principle

Kill your school  
Books and rules  
You're no fool  
Teacher's stupid  
Ring the bell  
Ditch this hell  
you're too cool  
too cool for this school

huh huh
