Postquam sex principes ceciderunt et pluvia  
Igneae sexiens in Elfmuth ruit,  
Postremus rex iam tenere non poterat suos  
Turbatos fines ab orcis ferocibus.

[PROEMIUM]

After the fall of the six emperors and after the Rain of fire had  
fallen on Elfmuth for six times The last king couldn't control  
anymore his lands Threatened by the rebel ogres.
