Title: Randomly Raped Rectum

download from: <http://www.lyricsdisc.com>

Randomly, randomly raped rectum! With my knife, fucking
your rectum! I will die, you will die, everyone I see
will die, I will die, you will die, die! As you lay there
dead beneath me, cock in my hand, lay there dead as I
spew my stench on you! I rape you from behind, fucking
whore! I shit inside your mouth, I cum! Randomly, radomly
raped rectum! I raped your rectum, forced to take my load!
