

Red on red  
You make me  
Not what was or could be  
Not below or above  
It's you that i love  
Red on red  
Now take me  
Into the fat to fry  
Now who, what or why  
I'm sick of all these lies  
Red on red  
No means  
Red on red  
No means  
Red on red

Sound and fury  
Unjustified  
Words polluted  
With ego and pride  
But there's a crocodile  
Crawling up your spine  
Up your spine, up your spine  
Crawling up your spine  
Keep crawling

Red on red  
Are you dead?  
Are you blind or just stupid?  
Nothing can prop us up  
We're burning up  
Red on red  
Red on red  
You kill me  
Rip me apart, i'm willing  
As long s i'm standing here  
There is no fear  
Red on red  
No means  
Red on red  
No means  
Red on red

Built it up  
Then tear it down  
The bells are ringing  
The prayers are done  
Once she lived here  
Now she's gone  
So, rip it up  
And tear it down  
But it won't be long  
Won't be long  
Man, it won't be long

Red on red  
You saved me  
You burned me, i don't mean maybe  
I don't know what you are  
But i wear the scars  
Like medals  
Red on red  
Red on red  
By no means  
No fucking bullshit dreams  
I know why i'm here  
It's ringing in my ears  
Red on red  
No means  
Red on red  
No means  
Red on red
