Title: Remembering

Mah baby
Hey
Hm Shattered dreams
Cut through my mind
Tragically our love has died
Memories confine my head
Bitterly I face the end Trustingly
I gave myself to you
I let you inside
Believing your lies And you don't remember
Every time you told me
You were mine for ever
For eternity
Uhhuh
And you don't remember
How you used to hold me
How we'd melt together
How you needed me
How we used to be
In love Stranded here
In nothingness
With only tears
And loneliness Foolishly
I gave my soul to you
I let you inside
Believing your lies And you don't remember
Every time you told me
You were mine for ever
