

My Batteries died sometime ago  
Gotta heart shaped box where they must go  
Corrosion's building everyday  
My flesh is leading me astray that's why I started to decay and I will slowly rot away but I can't feel that anyway

This heart it wants to beat  
These Lungs they want to breathe  
These eyes they want to see  
Gotta Mouth that wants to sing

Desperation  
Needing you  
Every last breath  
I scream for you  
Shatter me into a million pieces...Make me new

Crush me, tear me, break me, mold me  
Make me what you want me to be  
I am your's for you to use  
Oh, Take and Replace me with you

Needing more than just a jump start to get me through  
My disconnection is now the issue.....

I miss my 1st love bad and its driving me mad  
Just Like a mixed up crazy person out of his head  
Its been a long long time I've been on the decline  
I do an a-bout face so I can be replaced. 180!!!

This heart it wants to beat  
These Lungs they want to breathe  
These eyes they want to see  
Gotta Mouth that wants to sing

Desperation  
Needing you  
Every last breath  
I scream for you  
Shatter me into a million pieces...Make me new

Crush me, tear me, break me, mold me  
Make me what you want me to be  
I am your's for you to use  
Oh, Take and Replace me with you

One for the body  
Two for the soul  
Three to get ready now Go, Go, Go!!

(music break)

Desperation  
Needing you  
Every last breath  
I scream for you  
Shatter me into a million pieces...Make me new

Crush me, tear me, break me, mold me  
Make me what you want me to be  
I am your's for you to use  
Oh, Take and Replace me with you
