Title: Riding on the stars

download from: <http://www.lyricsdisc.com>

There's a boy up the stairs
In a castle of air
But he don't want to let me in
I don't know what to do
If it wasn't for you
I wouldn't sing at all

If only I had a dream
To share with you
We could make it for real
Just take the ride with me

If only you could see me now
(Riding on the stars)
If only I could be myself
(Don't know where to start)

What if I took a change right here
Or flew to the moon and started to
dance right there

There's a boy up above
And he's made of love
But he doesn't know it yet that's sure
He never hears my calls
I have done the fall and I know I love him
