Title: Right or wrong

download from: <http://www.lyricsdisc.com>

Chased by a big black figure
Naughties are to be deadified
But I didn't dare to pull the trigger
Maybe another day

Am I right, am I wrong
Am I weak, am I strong
Why can't you save the soul of a ponderer?

Who wants to please the Meglomaniaacs
Haunted by a strange idea
They want me to adopt the middle-course
To be a partner in their crying (???)

Am I right, am I wrong
Am I weak, am I strong
Why can't you save the soul of a ponderer?

Is it early time to think about it?
A crossing of philosophy
Yes, I am bleeding
And I am longing
For the deliverance

Is this the power?
It's super-natural
And nothing can't do it harm (???)

Am I right, am I wrong
Am I weak, am I strong
Why can't you save the soul of a ponderer?
