---

(E. Kretz)

Everybody wants an invitation  
Ring twice evidently no one's home  
Sweaty maple like a meditation  
Ring twice evidently no one's home

Mesh rhyme with reason is a notary stone  
Best time of season is when nobody's home  
Everytime I get less I want more  
Everytime I get less than

Everybody wants a celebration  
Ring twice evidently no one's home  
Grain of salt is like a purification

Seaside everbody omits time to go  
Ring high evidently starts the show

Meantime everbody commits try and try  
Fly by setting it back works the go

Seaside everbody commits  
Meantime everybody omits  
Seaside everybody commits  
Meantime everybody omits  
Time to go.
