

(Mark Spiro/Tim Pierce)

I'm a restless girl
That's right
And I'm gonna be free 'til the day I die
I can't hang around
This one-horse town
I want to fly like an eagle flies
And I won't give up
'Cause I've gone too far
I'm gonna circle the wagons
'Round my lucky star

Gonna saddle my dreams and away I'll fly
Baby wishes have wings and so do I
I wanna ride like the wind 'til the sun sinks low
Saddle my dreams wherever I go

By the harvest moon
I'll be on my way
Into the arms of a no-man's land
And I won't settle down
And I won't give in
'Cause I'll pick myself back up and do it over again
'Cause I want your love
Gonna take my shot
And I won't give in 'til I get what I want

Gonna saddle my dreams and away I'll fly
Baby wishes have wings and so do I
I wanna ride like the wind 'til the sun sinks low
Saddle my dreams wherever I go

I want the wind in my hair
The sun on my face
Gonna spread my soul around
All over the place
Gonna stick to my guns
No I ain't gonna change
'Til I find my perfect little home on the range

Gonna saddle my dreams and away I'll fly
Baby wishes have wings and so do I
I wanna ride like the wind 'til the sun sinks low
Saddle my dreams wherever I go

Gonna saddle my dreams and away I'll fly
Baby wishes have wings and so do I
I wanna ride like the wind 'til the sun sinks low
Saddle my dreams wherever I go

Gonna saddle my dreams
Whoooooo
I wanna ride like the wind 'til the sun sinks low
Saddle my dreams wherever I go
