Title: Safe In My Heart

download from: <http://www.lyricsdisc.com>

In this world, life can be hard on a sensitive girl
Who do you turn to, when you really need someone?
Don't give in, hold on, and in time
The day will come, and you will know
That your life, has only just begun

And you will feel love, you'll feel the earth meet the heavens above
Leave the past behind, now is the time
Put your trust, in me, and believe, when I tell you
I want you, close to me
And from now until the end of time

You'll be safe, in my heart
So safe, you know you are
In the space, in this heart
There will always be, a place for you
Safe in my heart

From now on, girl, I'll be there, I'll be strong for you
And when you need me, I'll be right here by your side
Put your trust, in me, and believe, when I tell you
I need you, close to me
From now until the end of time, I want you to know

You are safe, in my heart
So safe, you know you are
In this space (in this space), in this heart (in this heart)
There's no room (ooh-ooh-ooh) for anyone (aaah-aah) but you
You are safe, I would cry for you
In my heart, so safe, even die for you, ooh-ooh
So just listen (ooh-ooh-ooh) and remember, ooh-ooh
There will (ooh-ooh-ooh) always be a place (aaah-aah) for you
Safe in my heart

Nnnnn-nnnn-nnn-nnn (ooh-ooh), you'll be safe in my (ooh-ooh-ooh) heart
(Safe in my heart) do you really need someone? Ooh-ooh-ooh
I'll be there and I'll be (safe in my heart) strong for you babe, ooh-ooh-ooh
You'll be safe, so (safe in my heart) safe, safe in my heart
Nnnnn-nnnn, safe in my heart
