Your God is dead  
You were never saved  
Just cleverly trapped  
Your God is dead  
There's no heaven and Hell  
Your priests are deceiving you  
Your God is dead  
Your divine holy bible is a book filled with lies  
Your God is dead  
Your World is an illusion  
Your church fornicates you  
Your God is dead  
The only use of your cross is when it's nailed on your coffins  
Your God is dead  
He died the day the holy ghost raped your virgin  
Your God is dead  
You are drawn in misery and you damn love it  
Your God is dead  
WE KILLED HIM!  
Your God is dead and Satan feasts upon his corpse
