---

Secret squirrel splashes in  
Sirens warn Tsunami  
Secret's come to save us all  
Sirens warn eminent doom  
He can breathe in water yeah  
And super tail can stop the danger

No one moves quite like you do  
Secret how do you do it

I just fly I come sailin in  
Like it's sunny skies  
I know I'll always win

So I see you came secret squirrel's a shame  
You will have to die

Final round  
Doctor Doom here  
Will he conquer the world?  
Tune in next week and see  
Secret squirrel save you and me
