Title: See you when you're 40

---

I've driven round in circles for three hours  
it was bound to happen that I'd end up at yours  
I temporarily forgot there's better days to come  
I thought that I would give it just one more chance

Cos I want,tonight,what I've been waiting for  
but I found,tonight,what I'd been warned about

You think you're complicated,deep mystery to all  
well it's taken me a while to see,you're not so special  
all energy no meaning,with a lot of words  
so paper thin that one real feeling,could knock you down

And I've seen,tonight,what I'd been warned about  
I'm gonna leave,tonight,before I change my mind

So see you when you're 40,lost and all alone  
being comforted by strangers you'll never need to know  
not sad because you lost me  
but sad because you thought it was cool to be sad

You think misery will make you stand apart from the crowd  
well if you had walked past me today I wouldn't have picked you out  
I wouldn't have picked you out  
wouldn't have picked you out

Now I've seen,tonight,how could I waste my time  
and I'll be on my way,and I won't be back  
cos I've seen,tonight,what I've been warned about  
you're just a boy,not a man,and I'm not coming back  
I'm not coming back  
I've been warned about
