

O baby you're so fine
Got me on a line

Baby you're so young
I know you wanna try, games with my tongue
Beautiest I've seen
know you wanna do it, on and on Sexy 17
Gal' you gat me goin', I know that you gotta do it
Before the break o'dawn, Sexy 17

CHORUS :

I'll get you confuse
I bet you gonna loose
How you gonna do it, Sexy 17 ?
I'll get you confuse
I bet you gonna use it
How you gonna do it, Sexy 17 ?

Now I know the time has come
Girl I'll turn you inside out
Hoppin the neighbors won't hear your
Screams and shouts

I bet you gonna loose
How you gonna do it,Sexy 17 ?
