Hello baby
As I was walking by
Hesitated
And then I realize
There go David
I was surprised to see you
Then I asked "Do you remember me?"
Boy I'm so elated
To run into you hear
Shadow-faded
With diamonds in your ears
The memory's back
Oh
I don't wanna let go
Yea you say you got a girlfriend
But I know

[Chorus]
She don't even touch you like this
She don't even kiss you like t his
And she don't even treat you like I do
Boy you know that
(repeat)

[2nd Verse]

Oooh, I see us making plans
Me and you
Forget your circumstance
Don't be acting like me and you don't go way back
Late night, tipping in ya Cadillac
See I'm no psychic
But I can understand
She's a side kick
But I know all your fantasies
And she can't do it to you like I used to
And you know
that I know

[Chorus]

[Bridge]

Look at me and tell me you ain't feeling me
Boy you know that I'm the one you need
(oh you know)
She's a waste of time
I can love you right
(Boy you know that)
I already know you on a personal
So there aint no need to take it slow
(Oh you know)
You know your best is your first
So tell me why you're with her

[Chorus]
