Huh! C'mon tell us about her!!
She is two of a kind and she is mine and I tell you I love her
She is a six hole golfcourse uh uhuh I need her
Double days and double nights trible beds is double allrights
A love story new and improved that I want her
Coz I've been - with a siamese twin - Siamese twin
Coz I've been - with my double friend
Coz I've been - with a siamese twin - Siamese twin
Coz I've been - with my double friend

To save myself for trouble I went for a double
Not just the hype of a stereotype but a real nice couple
Latin, nordic or asian Don't care which nation
Twin towers Happy Hours I love her
Coz I've been - with a siamese twin - Siamese twin
Yeah! I've been - with my double friend
Coz I've been - with a siamese twin - Siamese twin
Yeah! I've been - with my double friend
Yeah! Give me happy hours!! Huh!! I've been...
