It's more than chemistry, I feel
Just the thought of you's surreal
Should I be afraid to feel this way
Knowing that my heart revealed

I keep thinking we're two of a kind
I've given you the sign
I can't make it any more simplified

'Cause I wanna love you, baby
No one else will do, can I
Only love you, and no one else

See, I won't hesitate or doubt
With you, I've been blessed somehow
It's like d
